

Experienced Nurse Practitioner, Bristol

Salary: Up to AFC Band 7 dependent on skills & experience

Our friendly partnership in South Bristol is seeking a part-time nurse practitioner to join our team at the practice. Karen and Della our existing nurse practitioners provide a popular service to our patients and a valued service to our GPs. We are now looking for an additional member of staff to work two days per week.

The surgery is at the heart of the local community and places great importance in team work to serve our patients. We have a mixed population with some deprivation and a high disease prevalence" Candidates need to be confident in managing untriaged emergency appointments including competent prescribing.

This is an exciting post and we are looking for an enthusiastic and flexible individual to add to the team. As well as management of acute minor illness the role will include home visiting where necessary, and some chronic disease management, depending on experience and interests.

We are a GMS practice with 9800 patients 3 partners and 4 salaried GPs.

Please send a copy of your CV to Jem Lyons, Practice Manager, Stockwood Medical Centre, Hollway Road, Stockwood, Bristol, BS14 8PT or contact Jem on 01275 894208 (jem.lyons1@nhs.net) for further details.
